

Thank you for supporting New Zealand Insulators

Unite
against
COVID-19

We've all worked tirelessly during all levels of COVID-19 Lockdown, making sure NZI product was manufactured and available for all Essential Workers, Businesses and Industries across New Zealand.

Thank you to all NZI staff (and their families) for supporting us.

Thank you to the NZI suppliers who supported our urgent requests and assisted supporting our business.

Thank you to our NZI Agency Partners who stepped up to provide support even when they were facing similar concerns and issues.

Thank you to our NZI Customers for helping us help you and the open collaboration and support provided to NZI.

It's great that a New Zealand owned and operated manufacturing company has the support and ability to effectively manage and navigate our way through this crisis.

Well done Team NZI
