

MV NETWORK UPDATE JULY 2015

DTR Electric based near Busan in South Korea are acknowledged global leaders in the manufacture of polymeric deadend strains, line posts, surge arresters, station posts, suspension, standoffs & Cutouts.

Established in South Korea over 30 years ago, DTR is a global leader in the development and manufacture of polymeric insulators. DTR is extremely well-established and a highly respected brand of many New Zealand Networks.

New Zealand Insulators is the exclusive distributor of DTR in New Zealand.

DTR products represent impeccable quality and competitive price. New Zealand Insulators has a full range of DTR product in stock, at both the Kumeu distribution centre and Temuka factory.

For your complimentary hard copy of our 2015 Catalogue contact Mandy on 03-6878149, mandy.gilkison@nzinsulators.co.nz or download from www.nzinsulators.co.nz

We supply the New Zealand and International markets with products and brands that networks and contractors know they can trust and have done for more than 90 years.

New Zealand Insulators proudly made in Temuka, South Canterbury, New Zealand.
